《一场特殊的母亲节音乐会》

by 纽约橙郡中文学校高中生 Sunny Shi 施珊妮

上个星期六 五月九日晚上八时,我们纽约橙郡华人协会主办了一场别开生面的母亲节网络音乐会。我非常有幸地参与了这个活动的组织工作,并且这场COVID-19 疫情期间的特殊的音乐会也将使我终生难忘。

在这场音乐晚会上, 有来自我们 华人社区的十几位才华横溢的学生们以 及家长们、也有来自香港三弦音乐家赵 太生一家人。在我们 Zoom Meeting 这 个特殊的网上母亲节的乐坛上, 音乐表 演者们充分地展现了他们各自的音乐才 华。虽然他们的年龄段有所不同, 最小 的才六岁,最大的六十多岁,虽然他们 来自不同的地区, 但是在我看来, 他们 的每个表演都是完美的, 特别是国宝级 大师赵太生先生, 而且他们所表演的节 目都能让我看到了我们社区的蓬勃发展 的轨迹。这场音乐会表演的范围从优美 的乐器到深情的诗歌朗诵, 再到发自内 心的歌声。演出结束后, 我们社区的医 生们王宇和杜金林还分别介绍了目前 COVID-19 的现状和预防措施。从事研 发 COVID-19 疫 苗工作的陈伟和李正辉 两位博士也为大家科普了一些疫苗知 识。在视频上能看到这么多不同年龄段 和不同地区的华人朋友们,真是令我十 分兴奋。在那一刻, 我为自己能够成为 这样一个朝气蓬勃和具有吸引力的社区 的小会员而感到自豪!即使是我们社区 正处在 COVID-19 在最困难的隔离时 期, 但是 在华人社区吴康健会长的带领 下,大家也能自始自终地,努力地保持 着联系,彼此相互关爱着对方。

在此,我要感谢我的同台主持人 Josh Shih 和 Andy Wang 对这次华人社 区活动的积极贡献,同时也感谢另一 位节目主持人和音乐会的导演 Emily Wang 帮助我们招集了所有可爱的表演 者,我还要感谢王宇和杜金林医生, 我也非常感吴康健会长,何谦老师以 及所有一直在幕后默默地辛勤地做出 贡献的家长们。当然,我也感谢天下 的所有母亲,是你们一直鼓励自己的 孩子健康快乐地成长着。

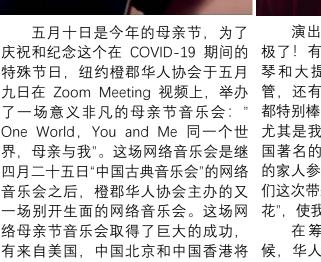

《One World, You and Me: 同一个世界母亲节网络音乐会》 by 纽约橙郡中文学校高中学生 王安迪 Andy Wang

音乐会那天晚上,天空上的月亮特别得明亮。我和我的家人早早地就等待在电脑前准备观看网络视频音乐会。因为我也是负责这场音乐会的学生之一,所以那天晚上我也特别地忙。 当天晚上有将近二十位才华横溢的华人协会的学生们和家长们参加了

近六十位观众开心地观看了这场精彩

的演出。

演出,他们每个人的表演都精彩极了!有的人弹钢琴,有的人拉小提琴和大提琴,有的人也演奏萨克斯管,还有人唱歌。我觉得每场表演出都特别棒,都展示了他们的出色技能。尤其是我们还特别荣幸地邀请到了中国著名的三弦演奏家赵太生老师和他的家人参加了这场母亲节音乐会,他们这次带来的中国古典乐器合奏"茉莉花",使我们大开眼界,惊叹不已!

在筹备这场母亲节音乐会的时候,华人协会吴康健会长与我们这场结动的高中生们分享了这场特殊的网络音乐会的几个目的之第一,在 COVID-19 大流行期间协会将我们大家召集在一起,目的是希望我们华人互相关爱,互相鼓励,共度难关; 第二,借用 Zoom Meeting 这个网络平台,以展示我们社区学生们和家长们的奇导能力;第三,在母亲节这个

节日里,尽情地歌颂和赞扬我们伟大的母亲们。

当晚音乐会结束的以后, 许多观 众们还留在屏幕上没有走开, 他们继 续参加了 COVID-19 话题的讨论会。 因为探讨如何保护自己的平安和健康 这个话题, 对我们社区的每个家庭来 说都是很重要的一件事。我认为在 COVID-19 大流行期间, 华人社区团结 起来, 相互帮助, 互相爱护, 是非常 重要的! 我想感谢每个演员, 感谢主持 人 Josh Shih 和 Emily Wang, 感谢所有 帮助和参加音乐会和讨论会的人! 正 是因为有了你们的努力工作,我们的 网路母亲节音乐会和网路讨论会才能 顺利成功。也正是因为有了华人社区 的团结一致, 我们现在在 COVID-19 期间才感到温暖和不孤独。

我希望每个人和他们的家人们都 永远平安健康!我也祝愿世界上所有 的母亲们母亲节快乐!

Dr. Yu Wang, Dr. Jinlin Du, Dr. Wei Chen, Dr. Zhenghui Li, and many more kindly talked about COVID-19 and provided their input as well as answering any of the questions asked by the families who had been listening in. This was an unforgettable virtual Mother's Day experience.

Virtual Mother's Day Concert hosted by the Orange County Chinese Association

by Emily Wang

On Saturday, May 9, 2020, Mother's Day came to a close with a beautiful and heartwarming virtual concert that filled our ears with music. At 8 PM that night, musicians teamed up to spread love and celebrate mothers all around.

Amidst the COVID-19 pandemic, it has been hard to find the happiness we used to so comfortably possess during our normal routines. Likewise, Mother's Day, a time of shared love and joy across the nation, was sadly bound to be the same case – another day overshadowed by the fears of the virus. However, the OCCA (Orange County Chinese Association) was determined to make sure everyone's mothers could enjoy their Sunday as they would have any other year, and what

better way to spread love than with music!

Monroe Woodbury High School Junior, Emily Wang, worked alongside Dr. Wu of the OCCA and OCCA Youth member Josh Shih to organize a virtual concert titled, "One World, You & Me: Mother's Day Concert". This concert took place via Zoom, an application well known for bringing people together during the quarantine. The concert's aim was to make sure mothers, even mothers who couldn't attend, were honored and celebrated during this difficult time. The concert included performances instrumental solos/duets, songs, and poems by students and adults. A variety of pieces and songs were performed,

allowing the performers to showcase their immensely talented musical abilities. Furthermore, a family of very acclaimed musicians were able to join us that night; performing all the way from Hong Kong, the Zhao Family performed the beautiful piece, "Jasmine Flowers". All the performers hope they were able to spread their love of music to all the mothers that day. Everyone who joined surely felt the warmth and joy of Mother's Day that Sunday night!

A huge thank you goes out to Dr. Wu, Emily Wang, Josh Shih, all OCCA and OCCA Youth members, the Zhao Family, all the performers, the audience, and everyone, especially all the mothers, who joined the virtual concert.

One World, You & Me: APAHM Panel

by Sunny Shi and Jeffery Shi

The month of May is Asian and Pacific Islander American Heritage Month (APAHM) and it celebrates the rich culture and accomplishments of Asians throughout history. On Saturday, May 30th, 2020, OCCA hosted its first-ever virtual APAHM panel to commemorate it. This was organized by OCCA Youth members Stephanie Peng, Emily Wang, Andy Wang, Angela Qiu, Sunny Shi, and Jeffery Shi under the guidance of Dr. Kangjian Wu, Mr. Ken Chan, and Ms. Qian He as well as Miss Jessica Wu and Dr Zhenghui Li.

The dedication, leadership, and hard work that the OCCA Youth members displayed helped make this wonderful event possible. The planning began at our very first meeting on May 20th, 2020 where Dr. Wu presented to the OCCA Youth members an idea to host a Zoom meeting to celebrate APAHM. After the initial meeting, we only had ten days to coordinate this event, so we set off brainstorming and discussing our plans. This was easier said than done, since we faced many challenges. We managed to enlist a diverse cast of panelists including Senator James Skoufis, Attorney Zhiyu Hu, Dr. Jinlin Du, Mr. Andy Chen, and Dr. David Zhang, all of whom have played pivotal roles in the development and enrichment of our Asian community in America. However, our biggest challenge was making sure this meeting would only be an hour long as there were so many uncertainties that made this difficult to achieve. Even after all our previous planning, a few hours before the APAHM panel, the team was still making last minute changes to ensure a successful panel discussion.

Our first guest, State Senator James Skoufis was able to offer us insight on his view of Asians and his experience with COVID-19. Mr. Skoufis has been a longtime supporter of our OCCA community, and we appreciate everything he has done for us. Dr. Jinlin Du, who was OCCA's previous president, left us with an empowering message about accepting and confronting the adversities that Asians face on a daily basis because they will never go away if we choose to ignore them. Also, we should be proud to be Asian, which is something that can spark an interest in learning about Asian culture. Mr. Andy Chen, the owner of Fuji Japanese Steakhouse in Middletown, NY spoke to us about his charitable actions during this pandemic in which he volunteered to deliver PPE to the community. Attorney Zhiyu Hu stressed the importance of the younger generation having an active voice in the community by involving themselves in politics. In addition, people have to give back to the community, no matter who you are. Last but not least, Dr. David Zhang explained to us how COVID-19 affects persons from all ethnic groups and should not be labeled as "Chinese virus" and gave us an inspiring speech about the significance of hard work.

As OCCA Youth members, we are grateful to have had this leadership opportunity. Thank you to every panelist for sharing their wisdom with us. Their contributions have been essential in the progress of our community and we hope that we will continue to have their support.

OCCA Youth Hosts "One World: You and Me" Series - Bring the community together to spread love.

by Emily Wang

"We have all known the long loneliness and we have learned that the only solution is love and that love comes with community." - Dorothy Day

The coronavirus pandemic has greatly impacted the entire world; it has been hard to adjust to the new lives of loneliness and discomfort we suffer through during quarantine. Happiness is not something we can come that often by as we stay confined to the perimeters of our homes; love is not something many can share and receive during these hard times. Nevertheless, the Orange County Chinese Association (OCCA) and the OCCA Youth were determined to preserve the strong community we had before the pandemic; therefore, "One World, You and Me" was created.

"One World, You and Me" is a collection of four different celebrations hosted via Zoom - the teleconferencing app. All four celebrations were based on different topics such as music, food, and cultural diversity. These Zoom celebrations were organized by Dr. Kangjian Wu of the OCCA, as well as several dedicated and hardworking middle school/high school students determined to bring the community together to spread love.

The first One World: You and Me show was hosted by Miss Angela Qiu, a high school student. She organized a virtual concert featuring the talented, renowned classical Chinese instrumentalist from Hong Kong, Mr. Taisheng Zhao, and his two children, Mr. Zexuan Zhao and Ms. Zehui Zhao. The goal of this concert was to provide warmth and hope to its attendees. Angela was extremely excited to be hosting the first installment to the "One World, You and Me" celebration and notes the different, but truly great experience the online show was. Angela notes, "Experience truly is the best lesson. Grab every opportunity that comes your way no matter how foreign or new it is; it is how one grows up." We thank the Zhao family as well as Angela for an amazing night.

The second addition to the One World: You and Me celebrations was a Mother's Day concert hosted by Miss. Emily Wang and her team of brilliant musicians! On Saturday, May 9, 2020, musicians teamed up to spread love and celebrate mothers all around, despite

the coronavirus. Monroe Woodbury High School Junior, Emily Wang, worked alongside Dr. Wu and OCCA Youth member Josh Shih to organize a virtual concert. The concert included performances instrumental solos/duets, songs, and poems by students and adults. A variety of pieces and were performed, allowing songs performers to showcase their talented musical abilities. The Zhao family kindly joined us again, performing all the way from Hong Kong. All the performers hope they were able to spread their love of music to all the

mothers that day! Performers included Matthew Qu, Ellie Qu, Jessie Gao, Haiou Zhu, Jeffery Shi, Mason Du, Nancy Song, Darren Di, William Xu, Angela Choi, Ping Lu, Holly Paterno, Jinlin Du, Emily Wang, and the Zhao family. The third show was an informational cooking presentation hosted by Miss Sunny Shi of Middletown High School and co-hosted/moderated by Andy Wang of Cornwall Central High School. Tina Kwok explained the science behind baking, as well as the difference between different kinds of yeast, sugar, flour, etc. Quarantine has provoked many of our baking skills to come into light and this show was surely entertaining, yet highly useful. We thank Tina and Sunny for putting together a lighthearted and interesting show.

Last but not least, we ended the One World: You and Me shows with an inspiring and impactful panel discussion organized by Stephanie Peng, Emily Wang, Andy Wang, Angela Qiu, Sunny Shi, and Jeffery Shi under the guidance of Dr. Wu, Mr. Ken Chan, Ms. Oian He, Miss Jessica Wu, and Dr. Zhenghui Li. Many may not have known that the month of May was Asian and Pacific Islander American Heritage Month (APAHM); therefore, this show focused on celebrating the rich culture and accomplishments of Asians. All the OCCA Youth leaders worked extremely hard for two weeks to put the panel together. Their efforts managed to enlist a variety of renowned panelist guests including Senator James Skoufis, Attorney Zhiyu Hu, Dr. Jinlin Du, Mr. Andy Chen, and Dr. David Zhang who shared their pivotal roles in the Asian community. We were left inspired and educated by the stories and actions of our panelists. The leadership of these students will no doubt continue the progress of Asian appreciation in our community. Sunny and Jeffery Shi state, "We are grateful to have had this leadership opportunity."

It is important to take leadership in times like these, silence is never the answer. Rise up to the challenge and support your community, for it is important to preserve love in such times.

One World, You and Me - Ms. Tina Kwok's Baking Show

by Sunny Shi

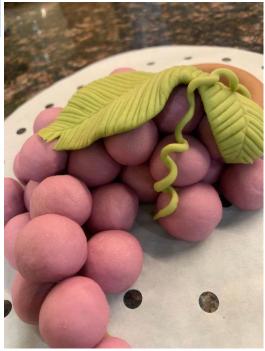

For the month of May, OCCA is celebrating Asian Pacific American Heritage Month by hosting a multitude of events. Asian Pacific American Heritage Month is a month honoring the achievements and prosperity of our Asian community. On Saturday, May 16th, 2020, I had the honor of being the host for Ms. Tina Kwok's baking seminar. Tina Kwok is a masterful baker and her pastries are absolutely stunning! At her seminar, she explained the science behind baking and how different products affect your final result. I found this fascinating because when I baked, I never truly understood the differences between the ingredients I used I just followed the recipe. It was really interesting to gain more insight, and it was clear that the viewers were also really interested in this information as well! It was heartwarming to see so much audience engagement. Overall, this was an extremely enlightening event, and a welcome distraction from our harsh reality.
